A hand-drawn mind map centered on **Mycobacterium tuberculosis** (MTC). The central node is a circle containing the text **Mycobacterium TUBERCULOSIS** and **MOTT** (Mycobacterium Other Than Tuberculosis). Branches radiate from the center to various related topics:

- Top Branch:** **INFLUENZA** (Influenza), **Isolated DENTALE** (Isolated Dental), **NTBC** (Non-Tuberculous Branching Complex), **Bioc.** (Biochemical).
- Right Branch:** **Kanasei** (Kanamycin), **AQUA LATTE** (Aqua Latte), **TR SERVATI** (Tubercle Serum).
- Bottom Right Branch:** **opp.** (Opportunistic), **TBC** (Tuberculosis), **TRC** (Tubercle Resistant Complex), **H** (Hemoglobin), **TRC** (Tubercle Resistant Complex), **TRC** (Tubercle Resistant Complex).
- Bottom Branch:** **antrum ic** (Antrum Infection), **ARM. ESCHER. VISCER.** (Armstrong Escherichia Viscerous), **AER.** (Aerobic).
- Bottom Left Branch:** **prof. locum** (Professional Location), **TRC** (Tubercle Resistant Complex), **TRC** (Tubercle Resistant Complex).
- Left Branch:** **for hantum** (For Hantavirus), **TRC** (Tubercle Resistant Complex), **TRC** (Tubercle Resistant Complex).
- Top Left Branch:** **Maximum** (Maximum), **TRC** (Tubercle Resistant Complex), **TRC** (Tubercle Resistant Complex).
